

ED 213 COMMENT DEADLINE EXTENSION

The Accounting Standards Board (the Board) invites comment on the proposed International Public Sector Accounting Standards Board's Sustainability Reporting Standard on *Climate-related Disclosures* (ED 213) until **5 March 2025**. This is an extension of the deadline of 14 February 2025 indicated in the Invitation to Comment on ED 213. Documents related to the Exposure Draft are available on the [ASB website](#).

The extension provides stakeholders with further opportunities to engage in our public consultation process or to provide a written response to the Board at info@asb.co.za.

We have scheduled an additional roundtable discussion on Friday, 28 February 2025 between 9:00 - 11:00. Please reach out to Nabeela Imam Shah on nabeelai@asb.co.za if you would like to attend this discussion.

We look forward to receiving your responses.
