Operating Policy

Open meetings of the Board & Technical Committee

GUIDELINES FOR OBSERVERS

MEETINGS HELD IN PERSON

1. Physical meetings of the ASB are scheduled occasionally and based on Board members' availability. The number of seats that can be made available for public observers is limited. For this reason, we ask those who wish to attend to complete and return the registration form as soon as possible.
2. Observers are asked to sign in on arrival at the meeting and complete a form acknowledging that they agree to abide by the procedures laid down in this policy. Persons who have not given advance notification of their attendance will be admitted only if space permits. The ASB cannot accept any responsibility for losses or inconvenience caused by changes to timing or difficulties in accommodating members of the public.
3. ASB agenda papers may be divided into items that can be discussed in public and items that are to be discussed in private, closed session. Relevant ASB agenda papers will be made available on request to observers who have requested the information when they register and will not be distributed at the meeting.
4. Observers cannot participate in discussion at the meetings and are asked not to take photographs or operate mobile phones (including for recordings), video cameras, or tape recorders in the meeting room. Papers that are available to the public are for information only. No comments or correspondence with regards to those papers will be considered by the ASB, unless the comments have been requested as part of the due process established by the ASB.
5. Observers are requested not to bring food into the meeting room.
6. Smoking is not permitted in the meeting room.
7. The ASB does not make hotel arrangements for observers.
8. The ASB does not have telephone, fax or copying facilities available for observers.

MEETINGS HELD VIRTUALLY

9. Virtual meetings of the ASB are held on Microsoft Teams.
10. Observers are asked to inform the Secretariat in advance of the meeting they wish to attend at info@asb.co.za. Observers should complete a form acknowledging that they agree to abide by the procedures laid down in this policy. Persons who have not given

advance notification of their attendance will be admitted only if doing so does not interfere with the Board's agenda and only once the necessary form has been completed. The ASB cannot accept any responsibility for losses or inconvenience caused by changes to timing.

11. ASB agenda papers may be divided into items that can be discussed in public and items that are to be discussed in private, closed session. Relevant ASB agenda papers will be made available on request to observers who have requested the information when they register and will not be distributed at the meeting.
12. Observers cannot participate in discussion at the meetings and are asked:
 - to remain muted, off camera and to not participate in activities in the Teams chat for the duration of the meeting.
 - not to take screen captures, recordings or any other form of digital copy of any part of the meeting.
13. Papers that are available to the public are for information only. No comments or correspondence with regards to those papers will be considered by the ASB, unless the comments have been requested as part of the due process established by the ASB.
